A societal transformation aligned with global trends, fostering job creation and honoring national progress. Commitment to upholding ethical standards in employee relations while discovering effective strategies for their protection.

WHY CHOOSE YELLOW O&M CO?

Selecting Yellow Umbrella O & M Company is a decision rooted in our commitment to enhancing investments across both public and private sectors in Saudi Arabia and the Arabian Gulf. To ensure ongoing progress, it is essential for us to explore innovative methods for developing and revitalizing community services. This foundational principle drives Yellow Umbrella Company to focus on building human resources across diverse fields, leveraging our extensive expertise. We are dedicated to achieving these objectives efficiently, minimizing both time and effort while maintaining the lowest possible costs.

OPERATIONS & MAINTENANCE

Our primary objective is to gain a comprehensive understanding of our customers' desires and requirements, enabling us to deliver tailored services that facilitate their success. Leveraging our extensive experience in operation and maintenance, we meticulously focus on every detail throughout the project lifecycle, from inception to completion. We have curated a diverse array of operation and maintenance services designed to meet the unique needs of our clients effectively.

What sets us apart in the operation and maintenance sector is the seamless integration of our team members, which enhances our service delivery. Since our inception, we have successfully provided operation and maintenance solutions to a variety of facilities, including healthcare institutions, government projects, and private enterprises across the Kingdom. Our approach involves customizing our services to align with the specific requirements of each facility, ensuring optimal performance and satisfaction.

MANPOWER SERVICES

Our staffing solutions offer a wide range of professionals including construction workers, cleaning staff, technicians, restaurant workers, tea and coffee makers, cooks, waiters, bakers, medical professionals, nurses, Engineers, QCs, Riggers, Foremen, Piping Supervisor, Welders, Fabricators, heavy equipment drivers etc, throughout Saudi Arabia. Our division acts as a vital link between skilled workers and the businesses that need their expertise. We have demonstrated significant growth in job opportunities, with numerous organizations actively seeking to expand their teams.

By partnering with us, you can efficiently identify the perfect candidates to enhance your workforce. As the demand for qualified professionals continues to rise, we are committed to helping you navigate the hiring process and find individuals who will contribute positively to your organization. Let us assist you in building a strong team that meets your operational needs and drives your business forward.

MAINTENANCE SERVICES

We offer a wide range of maintenance services designed to support the management of facilities, including cleaning, HVAC systems, electrical services, surveillance through CCTV, and plumbing in Saudi Arabia. By utilizing advanced technology, we aim to maintain facilities in top-notch condition while effectively reducing costs and improving operational efficiency for our clients.

HR SERVICES- INTERNATIONAL RECRUITMENT

A hand pointing at a digital interface with a network of people icons. The background is dark blue with a grid of white dots and lines. In the center, a hand is pointing at a cluster of three white person icons. Other person icons are scattered around the grid, some connected by lines. The overall theme is technology and human resources.

Our organization specializes in assisting companies in the recruitment of skilled personnel for permanent, temporary, or hourly positions. We focus on supplying a steady stream of qualified labor and ensuring that these individuals are well-prepared for the demands of the Saudi labor market.

We maintain strong connections with a network of authorized international agents, enabling us to deliver labor solutions swiftly and efficiently. Our services are tailored to meet the specific needs of our clients, including the option for official interviews with candidates as per client preferences. We strive to streamline all processes and provide direct contact options, including social media channels, to enhance communication. Additionally, we offer a diverse range of manpower from various nationalities, all of which are approved by the government of the Kingdom of Saudi Arabia.

We primarily focus on recruiting and supplying skilled labor from countries such as India, Pakistan, Nepal, Sri Lanka, Bangladesh, and the Philippines. Our commitment is to deliver the most suitable candidates to meet the specific needs of our esteemed clients within the agreed timelines. We offer comprehensive human resource solutions that encompass visa documentation, sourcing, selection, and the deployment of workers.

Our HR team maintains ongoing communication with the workers to address any concerns that may arise even after their deployment in Saudi Arabia, ensuring a smooth and efficient working environment for both the employees and the company. This proactive approach helps facilitate a hassle-free experience for all parties involved.
